

HHEINTZ & BECKER is an aggressive boutique law firm in Bradenton, Florida that focuses its attention exclusively on personal injury and wrongful death cases. It offers its clients personalized attention with each case structured to fit that client's circumstances and needs. The firm was founded over 25 years ago by Steven E. Heintz. It was founded on the principle of holding negligent individuals and businesses accountable for their actions.

Mr. Heintz knows what the firm's clients are going through because he has been on both sides of the desk. In May of 1974, in what turned out to be a life changing moment, a car ran a red light and hit him broadside. Unfortunately, he was riding a motorcycle. Mr. Heintz suffered significant injuries, including the loss of a toe and his right ankle was fused. He endured over a dozen surgeries and was in a cast for over a year. He knows something about pain and suffering. Mr. Heintz felt the insurance company was less than fair with him and he has made it his life's mission to protect others from the unfair tactics used by insurance companies.

The attorneys and staff of Heintz & Becker combine their unique skills and experience to provide their clients with the most complete, thorough, and technologically advanced case preparation available. The staff at Heintz & Becker were individually chosen because of the special skills and knowledge they can provide. One member is a former state director of *Mothers Against Drunk Driving* and a certified victim advocate; another member worked for a major insurance company and yet another brings the experience of more than 25 years of working on significant personal injury cases to the firm. The firm also has at their disposal highly credentialed and recognized experts in the fields of engineering, bereavement, economics, jury selection and many other areas.

STEVEN HEINTZ has been selected for inclusion in Florida *Super Lawyers* since its inception by *Law & Politics* publications. He is also Board Certified as a Civil Trial Lawyer by The Florida Bar and by the National Board of Trial Advocacy. Mr. Heintz is also a member of the Million Dollar Advocates Forum, whose membership is limited to attorneys who have achieved a verdict, award or settlement in excess of a million dollars or more.

DAVID BECKER combines his experience as an Assistant State Attorney with over 15 years of civil litigation experience. Mr. Becker is also a member of the Million Dollar Advocates Forum, the American Association for Justice and the Florida Justice Association. He is a Master in the American Inns of Court. He is also licensed to practice law in New Jersey and Pennsylvania.

The firm is "AV" rated by Martindale-Hubbell which is the highest rating possible.
